A Welcoming Thought...

S & G was founded with a most ambitious objective in mind -- to couple delicious cuisine with prompt and efficient service. Enhanced by appealing surroundings and a friendly atmosphere, we believe that we've achieved what our collective efforts had set as our primary goal.

We are very proud and remain fully conscious of the infinite responsibilities required to continue serving our customers with high quality, efficiency and outstanding service that has come to be expected of us.

We wish to maintain your respect and patronage -- this is our utmost consideration.
